College Credit

All LeadAmerica high school conferences are college accredited.

CSLC 10 Day Conferences and Ambassadors Abroad are accredited for two (2) college credits. One (1) college credit (normally \$440) is included in the program tuition. A second college credit is available at a reduced fee of \$249 (no additional academic work is required after the program).

CSLC 6 Day Conferences – National Security & Counterintelligence, National Leadership Summit Spring and Leadership University – are accredited for one (1) college credit, which is optional and not included in the tuition. The credit is available at the reduced fee of \$249.

CSLC (6 and 10 day conferences), and Ambassadors Abroad college credit is issued by Loras College, www.loras.edu, a fully accredited liberal arts college.

Credit is issued on a pass/fail basis, and its transferability is dependent upon the policies and discretion of the college to be attended. College credit is earned by successful completion of and participation in all aspects of the program. College credit may be denied at LeadAmerica's discretion for failure to participate fully in all aspects of the program. There are no refunds for denial of college credit or for students who are dismissed from the program.

Fundraising & Scholarship Opportunities

Fundraising is a great leadership activity and an opportunity to get involved in your community. A large percentage of our students engage in fundraising activities to meet their tuition and transportation needs. The LeadAmerica Fundraising Guide provides detailed information on how students can raise funds toward tuition, including a list of fundraising opportunities, types of organizations that have sponsored LeadAmerica students in the past, and sample fundraising letters.

Limited merit-based scholarships are also available.

Limited financial aid is available to students with demonstrated financial need. If you desire financial aid, you must request it by submitting the Financial Aid Application with your Enrollment Application.

Financial Aid Applications will not be considered after a student has registered. Merit-based scholarships have designated due dates.

The Fundraising Guide and other financial aid documents are available on our website at www.lead-america.org/conferences/cslc/finaid.html

Faculty & Staff

Teaching Faculty: LeadAmerica faculty includes university and graduate school professors, practicing professionals, and leaders in the fields of study offered. They are carefully selected to ensure that our students receive the highest quality educational experience. Their role is to bring the core curriculum to life and stimulate thinking and discussion.

Team Leaders: Our Team Leaders are assigned to groups of approximately 12–18 students. Team Leaders facilitate simulations, discussions, and other practical experiences and serve as chaperones for off-site activities and nonacademic events. They inspire our students and serve as positive role models. Team Leaders and Faculty Advisors are adult professionals and college and graduate-level students from leading colleges and universities that have included Georgetown, Harvard, MIT, Cornell, Columbia, Boston University, Johns Hopkins, UCLA, the University of Chicago, the Citadel, and more. Most have academic and/or work experience in the field of study and many are pursuing degrees in education or the field of study. In addition to their own experience, Team Leaders receive approximately 40 hours of LeadAmerica training.

Resident Advisors: Team Leaders and staff serve as Resident Advisors. They live in the residence halls and are available to our students at any time, day or night.

Administrative Staff:

- **The Program Director** oversees day-to-day operations of the program and ensures the quality and integrity of the academic experience.
- **The Site Director** is responsible for student safety and facilities.

Office and other administrative staff are always on-site and work with our faculty, Team Leaders, and students.

Enrollment & Other Details (cont.)

Enrollment & Selection Process

Admission to *LeadAmerica* conferences is selective. *LeadAmerica* seeks outstanding high school students from across the United States and internationally who have demonstrated leadership potential and academic promise and will contribute to the quality and diversity of the conference. There are several ways in which students are selected: Student Talent Identification Programs and Surveys, Educator Nominations, Alumni Nominations, and Clubs & Activities. Students who are not preselected may apply through the Merit Application process (see below).

Student Talent Identification Programs and Surveys: National Student Talent Identification Programs and Surveys identify students based on their academic achievements, school and extracurricular activities, and future ambitions. Qualified students are pre-approved for admission and receive an invitation to enroll in a *LeadAmerica* session of their choice.

Educator Nominations: High schools from across the United States and 51 countries participate in our Educator Nomination Program. Teachers, guidance counselors, and school administrators who participate submit nominations of students who meet *LeadAmerica*'s admissions requirements: scholastic achievement, involvement in community or extracurricular activities, and leadership potential. Nominated students are pre-approved for admission and receive an invitation to enroll in the *LeadAmerica* session of their choice.

Alumni Nominations: *LeadAmerica* alumni may submit nominations of outstanding students based on the same criteria as educator nominations. These students are pre-approved for admission and receive an invitation to enroll in the *LeadAmerica* session of their choice.

Clubs & Activities: Invitations are also sent to students who participate in certain clubs or activities (e.g., academic honor societies, mock trial, debate, Model UN, Boy Scouts, Girl Scouts, student government, athletics, etc.).

Merit Applications: Students with a minimum B average, a record of involvement in community and extracurricular activities, or demonstrated leadership potential may apply directly to *LeadAmerica*. A written recommendation from a teacher or counselor is also required.

Tuition & Travel Insurance

Tuition & Travel Insurance safeguards the student's tuition and other covered expenses while the student is traveling, provided the student cancels for a covered reason as set forth in the Description of Coverage. Students who cancel for covered reasons will be reimbursed under the plan for the nonrefundable tuition paid (refundable tuition reimbursed by *LeadAmerica*) and airfare cancellation charges associated with the program. The plan also includes coverage for Medical Protection, Baggage Protection, Trip Interruption and Delay, and Emergency Assistance Services. For complete plan details and coverage description please visit our website at www.lead-america.org/conferences/travelprotection or call the plan administrator at BerkelyCare at 1-800-453-4067, Monday through Friday, 9:00 am to 5:00 pm (EST), and reference policy HTP05224. The premiums are: \$99 for 6-day and 10-day conferences; \$159 for Ambassadors Abroad. Plan premiums are not refundable. Should you choose not to participate in the above described Tuition & Travel Insurance or cancellation is not for a covered reason (a qualifying event) in the plan, *LeadAmerica*'s Cancellation & Refund Policy will apply.

Pre-conference Information

After registration, you will receive an email with a link to access your pre-conference handbook online using your PIN. You also will receive the pre-conference handbook via U.S. mail. The handbook contains complete information on how to prepare for your conference. Please review this carefully, as it answers most conference-related questions.

Required:

- **The Student & Parent Agreement and Medical Consent Form** must be signed and returned in order to participate in the conference. Also, certain programs and/or locations require additional releases or agreements. Please review these in full at www.lead-america.org/documents prior to enrollment.
- **Medical Insurance:** Students MUST have health insurance in order to participate in a *LeadAmerica* conference. Proof of health insurance is required. For students who do not have medical insurance, short-term insurance is available through the Tuition & Travel Insurance.

Transportation

Domestic Programs: Transportation to and from CSLC programs is the responsibility of each student. During certain designated times, *LeadAmerica* provides an airport shuttle between the designated airport in the host city and the program location for a fee of \$30 each way. Complete information on the airport shuttle will be included in the student's pre-conference handbook.

Ambassadors Abroad: Tuition includes airfare from the designated U.S. departure airport to the Ambassadors Abroad country and all transportation within the foreign country. Transportation to and from the designated U.S. airport is the responsibility of the student. Ambassadors Abroad attendees are responsible for the cost of obtaining a valid passport and visa (if required).

Students with Special Needs

LeadAmerica encourages participation by physically challenged students. Wheelchair-equipped vehicles may be available for those with limited mobility. Additionally, certain designated sessions will be interpreted for the deaf and hard of hearing. Parents are encouraged to call *LeadAmerica* for more information and to discuss particular needs before they apply.

Supervision

The safety and supervision of our students is of paramount importance. Students are carefully supervised throughout the program by *LeadAmerica* faculty and staff. Resident Advisors and administrative staff reside on-site and are available to students at all times. Students are not permitted to leave campus on their own. During certain field trips and off-site activities, students may have limited supervision. This means students have freedom to visit specific sites within designated areas without direct supervision, utilizing designated check-in and check-out procedures.

Terms & Conditions of Participation (The Fine Print)

Cancellation & Refund Policy

Because the operation of *LeadAmerica* programs requires extensive advanced planning, costs are incurred long before the start of the conference. Accordingly, the following Cancellation & Refund Policy will apply:

Spring Conferences:

For cancellations prior to and including February 15, 2009, there is a cancellation fee of \$500; after February 15, 2009, there are no refunds.

U.S. Summer Conferences:

For cancellations prior to and including April 1, 2009, there is a cancellation fee of \$350; after April 1, 2009, and prior to and including May 15, 2009, there is a cancellation fee of \$500; after May 15, 2009, there are no refunds.

Ambassadors Abroad Conferences:

For cancellations prior to and including April 1, 2009, there is a cancellation fee of \$750; after April 1, 2009, and prior to and including May 1, 2009, there is a cancellation fee of 40% of total tuition; after May 1, 2009, there are no refunds.

- Any cancellation and refund request must be submitted either through the *LeadAmerica* website or by written notice to the admissions office in Boca Raton, Florida. Written notice must be signed by the Parent/Guardian ("Parent") who signed the enrollment application. Additionally, if you purchased the Tuition & Travel Insurance and believe you are canceling for a covered reason, you must immediately notify the plan administrator at BerkelyCare of your cancellation.
- Tuition & Travel Insurance premiums are nonrefundable.
- Tuition payments will be refunded in full in the event that the Student's application is not accepted or if space is not available in the selected program.
- In the event that *LeadAmerica* cancels a program, all tuition will be refunded. *LeadAmerica* shall not be responsible for any expenses incurred by the Student other than tuition paid.
- There is a \$50 administrative fee if the Student transfers to another *LeadAmerica* session or program after enrollment. Transfers within 60 days of the start date of the session that the Student is registered to attend will be subject to additional fees and other terms and conditions.
- Students who are dismissed from the program for disciplinary reasons or leave the program early are not eligible for refunds. Parents are responsible for any expenses incurred for housing or transportation after dismissal.

Postponement or Cancellation of Program

LeadAmerica reserves the right to modify, postpone, or cancel a program because of safety, health, or other issues including, but not limited to, acts of God, acts or omissions of government authority, compliance with government regulations, or any other cause beyond the control of *LeadAmerica*. In the event that *LeadAmerica* postpones the program, tuition payments received prior to the postponement will be applied to the new program dates. If a Student/Parent elects to cancel enrollment in a postponed program, tuition will be refunded less a \$350 nonrefundable fee. Any cancellation and/or request for a refund must be submitted in writing in accordance with the Cancellation & Refund Policy schedule. In the event that *LeadAmerica* cancels a program, all tuition paid will be refunded.

Waiting List

Applications from qualified students are processed in the order of receipt and may exceed spaces available. This is an application for participation, and enrollment is contingent upon final approval by *LeadAmerica*, with whom sole discretion resides. If the Student's first choice is filled, the Student will be placed in his/her second choice of session. If the Student does not have a second choice, the Student will be placed on a waiting list for the first-choice program. The Student's tuition will not be processed until such time as he/she is enrolled in a conference.

Code of Conduct

The Student and Parent understand that participation in *LeadAmerica* demands the highest standards of conduct and personal responsibility. The Student agrees not to use or possess tobacco, alcohol, controlled substances without prescription, weapons, or firearms of any kind during the program. Additionally, the Student agrees to abide by all of *LeadAmerica*'s rules and standards of conduct throughout the program. Further, the Student and Parent understand that *LeadAmerica* follows a zero-tolerance policy. An infraction of any rule or standard of conduct may result in immediate dismissal, forfeiture of tuition and any other fees paid, loss of college credit (and related fee), and return home at the Student's or Parent's sole expense. Dismissed Students are not permitted to remain on campus or with the program, and Parents are responsible for any expenses incurred by the Student for housing or transportation after dismissal. The comprehensive *LeadAmerica* Student Code of Conduct is available at www.lead-america.org/documents and is incorporated herein by reference.

On-Campus Housing

LeadAmerica and/or conference facility/university personnel ("*LeadAmerica*") may enter the Student's room, without permission, for emergency purposes, for maintenance and housekeeping purposes, for fire and safety inspections, and to inspect for damage, or if *LeadAmerica* has any reason to believe that a violation of a *LeadAmerica* rule, conference facility rule, regulation, local ordinance, or state or federal law or statute has occurred. General room inspections may be conducted periodically without prior notice. Students are responsible for maintaining their rooms in a clean manner. The Student will be charged for damages to, unauthorized use of, or alterations to rooms, furnishings, appliances, equipment, or locks (the "Room") and for any special cleaning necessitated by improper care of the Room. In the event individual liability is undeterminable, all Students occupying a Room jointly and severally are responsible for any and all damage and/or cleaning charges associated with that Room as well as public areas. In the event that damages or theft of university and/or conference facility property cannot be assigned to specific individuals, the charges will be divided equally among the residents of the room, suite, floor, or building at *LeadAmerica*'s discretion. Additionally, the Student will be billed for any meal cards, access cards, or keys not returned at checkout, regardless of return at a later date, at an amount equal to the fee billed to *LeadAmerica* by the conference facility.

Agreement, Limitation of Liability & Release

In consideration of being accepted as a participant in a *LeadAmerica* program (the "Conference"), the Student and Parent each release and hold harmless *LeadAmerica*, its officers, directors, agents, employees, partners, sponsors, and affiliates (collectively, "*LeadAmerica*") from and for any claim, injury, theft, loss, or other liability of any kind that is caused or contributed to directly or indirectly by the Student, or that results from or during the Student's participation in the conference. Furthermore, the Student and Parent each indemnify *LeadAmerica* from and for any claim, injury, or other liability of any kind that is caused directly or indirectly by the Student. It is understood that *LeadAmerica* cannot be held responsible for any acts or executive orders of any government authority, acts of God, or incidents that may occur on the part of any commercial carrier from the time the Student leaves home until the Student returns home. *LeadAmerica* will not be responsible or liable for any loss, damage, or delay resulting from any act or omission on the part of any person or company whose services are retained by *LeadAmerica* for the benefit of program participants, including but not limited to hotels, universities, restaurants, tour agencies, on-site staff, independent contractors, employees, or transportation and travel companies, nor will *LeadAmerica* be held responsible for any act, error, or omission on the part of any conference participant(s). Additional expenses, if incurred under any of these circumstances, must be borne by the participant. *LeadAmerica* will not be held responsible for any decision made in response to any problem or situation encountered with a student. Some of the activities during the conference will be held off-site, and the Student may not be directly supervised by *LeadAmerica* at those times. In any event, liability on the part of *LeadAmerica* is specifically limited to and shall not exceed the amount of tuition paid by the Student/Parent. *LeadAmerica* reserves the right to cancel a program before the start date of a program, in which case the sole recourse shall be the refund of any deposit or monies paid to *LeadAmerica*. No statement, representation, or promise shall be binding on *LeadAmerica* unless made in writing. *LeadAmerica* reserves the right to change or modify any portion of a conference's itinerary without notice before or after the conference is scheduled to begin.
